

Salt Lake Astronomical Society

2010 Membership Application

The SALT LAKE ASTRONOMICAL SOCIETY is a non-profit organization of individuals interested in astronomy, astrophotography, telescope building & observing the heavens. Members enjoy getting together for many events including monthly meetings, public and private star parties, socials and field trips.

General meetings are usually held on the 3rd Tuesday of each month, except December. Information on upcoming meetings can be found at:
<http://slas.us/CALENDAR.ASP>.

Don't let being new to the hobby stop you from joining as we have many novice members.

Membership in the SALT LAKE ASTRONOMICAL SOCIETY includes: The Society's bimonthly newsletter, NOVA (emailed to members unless postal-mail delivery is requested); Membership in the Astronomical League; Special discount subscription rates for Sky & Telescope and Astronomy magazines; Discounts on many publications from Sky Publishing Corporation.

Membership also entitles one to FREE use of several portable astronomical telescopes (after 30 days membership) and can also lead to low cost use of the Society's observatories and hydrogen alpha solar filter (both after 6 months membership and completion of training).

2010 membership cost is only \$20.00 which covers all immediate family members.

To join or to reinstate your membership please complete this form and bring it and payment to a Society meeting or postal-mail to: SLAS, Box 26114, SLC, UT 84126-0114. Email questions to: paw@wirelessbeehive.com

Current SLAS members should not use this form to renew their membership. Current members should renew online at <http://slas.us/Payments/paydues.asp> or to renew via USPS mail please email paw@wirelessbeehive.com and request a renewal application.
